

Flannel Story Board Project

Final Project Directions: Students will be creating a flannel story board and all the necessary pieces to tell a story to children, and allow children to make and create their own stories using story pieces on the board.

Materials Supplied:

- Board and Flannel
- Felt
- Glue
- Markers
- Scissors

Using the supplies given, create a flannel story board with at least 10 pieces of your choosing that will help you to tell a story. This can be a story from a book, or an original story. If you choose an original story, you will need to provide the written story as well. Students will present their stories using their storyboards on *Thursday, May 10th, 2018*.
